Learning Needs: Gulf Coast Classical is not staffed to teach children with serious learning needs or behavioral issues. Such children (e.g., Down's Syndrome, blindness, deafness) will not be admitted due to lack of adequate staff, funding and facilities. Children with other needs (e.g., ADD, ADHD, dyslexia) will be given instruction and encouragement reasonably consistent with their classmates, and they will be required to meet the same academic standards as the other children in their grade.

Gulf Coast Classical will require a family interview and brief student assessment (or official report card / test scores) prior to admission. I understand these requirements and wish to make application for my children. The information provided is complete and accurate. Please sign below.
